

WiGL & IEEE Wireless Power Week 2022

WiGL will be at [IEEE Wireless Power Week 2022](#) for the world's largest wireless power conference. The building of WiGL's wireless power networks has begun.

REGISTRATION IS NOW OPEN
WIRELESS POWER WEEK 2022

July 5-8 | Bordeaux, France

The banner is split into two main sections. On the left, a white circle contains the "WPW" logo with a Wi-Fi symbol above it and the text "WIRELESS POWER WEEK 2022" below. On the right, a black background features the text "Sponsored by" above the AirFuel Alliance logo and "AirFuel™ Alliance" in white. Below that, it says "July 5 - 8, 2022" and "Bordeaux, FRANCE". A blue button with the text "REGISTER NOW" is positioned at the bottom right of the banner.

Early registration is now open for this year's Wireless Power Week!

Join wireless power's leading experts in Bordeaux, France July 5 - 8, 2022 for [IEEE Wireless Power Week 2022](#) for the world's largest wireless power conference.

Check out the conference website for the program lineup of technical presentations, keynote speeches, tutorials, workshops, student competitions, and tech exhibitions.

We look forward to seeing you at WPW 2022!
